COMES NOW PRETRIAL SERVICES OFFICER Murray Fullner presenting an official report upon the conduct of defendant who was placed under pretrial release supervision by the Honorable James H. Allen sitting in the court at Memphis, Tennessee, on the 21st day of September 2006 under the following conditions:

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT AND FOR CAUSE AS FOLLOWS:

Refrain from any unlawful use or possession of a controlled substance

On February 1, 2007, Tim Deaton signed a voluntary admission to having unlawfully used Lortab and cough syrup, on or about January 30, 2007, and February 1, 2007, respectively. Upon being directed to participate in outpatient substance abuse treatment at ACAR (Alcohol and Chemical Abuse Rehab, Inc.) in Memphis, the defendant submitted a specimen at ACAR on February 7, 2007, which tested positive for cocaine. He, thereafter, submitted a urinalysis specimen at the Pretrial Services Office on February 20, 2007, which was positive for cocaine and hydromorphone.

Participate in a program of substance abuse testing, education, or treatment if deemed advisable by Pretrial Services

Since beginning outpatient treatment at ACAR on February 7, 2007, Tim Deaton was asked to leave a group session on March 5, 2007, after falling asleep and, on March 7, 2007, failed to show for required drug testing.

PRAYING THAT THE COURT WILL ORDER the issuance of a warrant so that Tim Deaton may appear and show cause as to why his bond should not be ordered revoked.
